

THE SIGNATURE SERIES

The Signature Reset Ritual.....\$200
2 hours to radiance, renewal, and pure serenity.

Begin with a deeply relaxing 45 min hot stone back, neck and shoulder massage using aromatic oils, followed by a nourishing décolletage and facial massage. An enzymatic fruit peel smooths and brightens the skin, before a collagen sheet mask soothes and hydrates. While it works its magic, drift away with a rejuvenating scalp, hand, and foot massage, complete with exfoliating scrub. This is your time to reset, glow, and escape.

The Powder Room Signature Facial.....\$160
90 minutes of advanced skin renewal and full-body relaxation.

This beloved treatment begins with a gentle microdermabrasion to refine and smooth, followed by a radiance-boosting AHA enzymatic peel. A sculpting massage of the face, neck, and décolletage melts away tension while stimulating circulation and lift. Next, an Esthemax hydrojelly mask deeply hydrates and restores, paired with a dreamy scalp massage, and hand and foot exfoliation with hot towel infusions. A Rose Quartz dermaroller finishes the ritual, enhancing absorption and calming the skin for a visibly luminous glow. Our most-requested facial—and for good reason. Expect stunning results, inside and out.

About The Signature ESTHEMAX Hydrojelly masks - A new generation mask boosted with pure algae, nourishing actives & electrolyte technology. A beautiful fusion of ingredients in each bespoke mask which is specifically tailored to your skin needs. This calming treatment mask creates a vacuum suction drawing all the layered serums and products preapplied into the lower dermal layers of the skin creating a beautiful hydrated, plump skin leaving it absolutely glowing.
